

Communication, Language & Literacy

We will focus on:

- exploring a number of traditional tales and rhyming stories.
- handling books carefully.
- developing an awareness of print
- making our own books and stories
- tracing and writing our names.

Personal, Social & Emotional Development

We will focus on:

- understanding our feelings.
- playing together co-operatively.

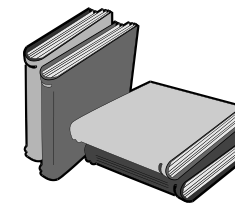

Mathematics

We will focus on:

- comparing quantities.
- recognizing and ordering numerals to 9.
- using positional vocabulary.
- counting objects by saying one number name for each object.

Once Upon A Time!

Understanding of the World

We will:

- observe seasonal change and look for signs of spring.
- use a range of tools safely.
- talk about our families.
- visit the library.

Physical Development

We will focus on:

- moving in a variety of ways.
- using equipment safely.

Technology

We will :

- use the CD player and computer to listen to stories.
- learn some of the ways in which Technology is used in our local environment.

Expressive Arts and Design

We will focus on:

- making patterns.
- building models.
- learning lots of ring games.
- using props to help us retell familiar stories.
