

English

In English, Year 2 are taking inspiration from Beegu - a lovely little alien who has crash landed on Earth. They are writing setting descriptions, narratives and are now beginning to incorporate speech between different characters. They are adding more ambitious vocabulary (eye 17) and are deepening their understanding of writing techniques such as similes and alliteration.

Maths

Addition and Subtraction

Year 2 will be revising their knowledge of subtraction and addition and deepening their understanding. They will be using a range of written methods.

Statistics:

The children will be reading and forming a range of graphs such as pictograms and bar charts. They will be able to answer a range of questions including 'how many more...?'

Science:

Child led investigation poster competition.

Time Travel

Computing: Typing skills with dance matt and basic word processing. Children will continue to use coding to develop moving animation.

Wantage CE Primary School

Aiming for Excellence

"Use the Gifts God has given you."

1 Peter 4:10

R.E and PSHCE

We understand how rules and religion can influence someone's life. We can identify and comment on different Islamic artefacts. We understand 'belonging' and understand what it feels like to feel a sense of belonging in our own school.

PE

- Team Games
- Dance
- Swimming

Art:

Year 2 will be exploring the work of different artists throughout history and seeing how art changed over time.

History:

The lives of significant individuals in the past who have contributed to national and international achievements. - Wright Brothers, George Stephenson. Events beyond living memory that are significant nationally or globally - First aeroplane flight. Significant historical events, people and places in their own locality - Look at Didcot train station.
