(EYE 18) I can recognise equivalence of simple fractions eg $\frac{2}{4} = \frac{1}{2}$

Science: The children will be observing how caterpillars turn into butterflies as well as exploring habitats and microhabitats in their immediate area.

A Fairy Tale Ending...

Computing: The children will be looking at maps using Google Maps as well as programming a sequence of instructions to guide a Beebot or Roamer. They will also be using their computer skills to research information for other areas of their learning.

Wantage CE Primary School

Aiming for Excellence "Use the Gifts God has given you." 1 Peter 4:10

R.E and PSHCE

The children will be reading stories from the Bible and thinking about how the Bible teaches Christians to be kind and forgiving towards others.

PE

- throwing and catching skills on the field
- practising key skills in the lead up to Sports Day

Art:

Year 2 will be taking inspiration from the work of Yayoi Kusama and producing their own dotty artwork.

Geography:

Year 2 will be exploring their local area. They will think about what is in Wantage and what the difference between a town and a village is. They will also be considering the impact of a growing population and how building up new areas influences natural habitats for animals.
