

## English

### Non-narrative

Examining texts about dragons and African animals, understanding key layout features and adapting our language to visit the audience and text type.

### Poetry

Reading Pie Corbett's 'Evidence of Dragons', Year 3 will be creating their own dragon and writing poetry about it.

### Fiction

Taking inspiration from 'Tinga Tinga tales' to create our own African animal stories, each child will write and illustrate their own book.

## Maths

(EYE 1) Problem solving working systematically

(EYE 2) Explain thinking and reasoning using a variety of representations.

(EYE 7) I can recall and use multiplication and division facts for 2,3,4,5,8 and 10  $\times$  tables

(EYE 8) I can multiply 2-digit numbers by 1 digit numbers mentally or using formal written method

(EYE 12) I can estimate the answer and use the inverse to check my answers

(EYE 13) I can use the inverse to solve missing number problems

## Science:

We will be learning about animals including humans, looking at skeletons and muscles, as well as the different types and amounts of nutrition different creatures need.

# Africa

## Computing:

Year three will develop their researching skills to support their geography, writing and art. They will learn how to browse effectively.

## Music:

Year 3 will be continue to work with Mr Levy playing their chosen string instruments.

## R.E and PSHCE

Year 3 will learn about Jesus' healing miracles. In PSHE we will be improving our global awareness of current events.

## PE

We will be learning and practising the skills and rules of netball. There will be a focus on teamwork and sportsmanship. Indoors, we will be creating our own African animal dances, creating sequences of movements at different levels.

## Art and Design:

Learning about pointillism through the work of George Seurat. We will look at the use of dots and colour in African Tinga Tinga art. The children will be illustrating their own books in the style of Tinga Tinga.

## Geography

Year Three will be finding out about the African continent and some of the countries within Africa including South Africa and Kenya. We will find out about famous primatologist Jane Goodall and how she is still working to help chimpanzees today. We will learn about the missionary David Livingstone, who discovered Victoria Falls.
