

November 2018

Dear KS2 Pupil

KS2 Transition event: 'Stargazing and Supper'

King Alfred's Academy would love to take the opportunity to invite you (and your parents) along to, what we are sure will be, a really enjoyable event on Wednesday 12th December 2018. We thought it would be great to use some of the wonderful equipment we have and the expertise of our Science department in order to spend the early evening looking at the stars! We would also like to offer all those who attend an early supper so that you don't have to do all of this exciting stuff on an empty stomach.

We hope that this will form just a small part of the transition process for KS2 pupils from our local feeder schools, giving all involved the opportunity to get to know West site a little better and also to meet some of our teaching staff.

The event will take place on West site and will run from 4:30pm till 6:30pm (with supper served at 6pm) on Wednesday 12th December. If you would like to attend it would be really helpful if you could get your mum, dad or another grown up to confirm attendance via this [link](#) (so we know how much food to prepare!). If you prefer to confirm your attendance by email please email skingett@kaacademy.org.

The Science team are really excited about having the opportunity to show off some of the brilliant equipment we have and look forward to seeing you soon.

Best wishes.

Mr Lawrence, Mr King and the Science Team
