Thumb Print/Biometrics for the school library

Dear Parents,

To aid the smooth running of the new school libraries, we have invested in a thumb print scanner (Biometrics) to identify children quickly and to cut out the need for a library card when issuing books.

Protection of Freedoms Act 2012 requires us to have written parental consent to store your child thumb print for our records. In order for your child to use the biometric system, the written consent of at least one parent is required. Please complete the form below and return it to us as soon as possible.

Yours faithfully,

Mrs C Morgan

Headteacher
