Dear Parent/Carer

Our school is holding its second 'Family Race for Life' event for Cancer Research UK and we would love for you and your son and/or daughter to join us in a fun run around Wantage Park.

We will 'Race for Life' on Friday 6th October 2017 at 2.45pm. There will be 3 race distances 1k, 3k or 5k. All children who run / walk will need a parent or nominated adult to complete the course with them. The event will finish at 3.45pm (earlier if you run a shorter distance)

All school children that are taking part will get changed in school. They will then need to be collected and signed out from the hall at 2.30pm by a parent or nominated adult and taken to the park. Once the children have left the school at 2.30pm that adult will be responsible for their child/ren (taking them to and from, as well as during the event).

If you feel this is something your family would like to be a part of please complete the reply slip below and return to school. Your family will then be given a sponsor form prior to the event in an attempt to raise money for Cancer Research. Any money raised should be handed into the office after the event no later than 20th October 2017.

Thank you for your support
