

Dear Parent

Flu vaccination session: Wantage CofE Primary School, Tuesday 16th October @ 9am

The Nurses from Oxford Health NHS Trust will be coming in to School on Tuesday 16th October to deliver the Flu vaccine to all children in Reception and Year's 1,2,3,4 and 5 for whom a valid Consent Form has been returned. We would recommend that you let your child know that it will be happening and you may find it helpful to watch this [NHS Choices Video](#) together so they know why they are having the vaccine and what to expect.

Please note if your child has Asthma and has been wheezy in the 3 days prior to the vaccination session or is wheezy on the day of vaccination please phone the school nurses before School starts, on **07879 412459** and also inform your child's School Office.

If your child is unwell on the day and they are unable to be vaccinated they will be invited to book into a Catch Up Clinic.

If you have any concerns, please don't hesitate to contact the School Nurse Team on the number above or e mail flu.schoolnurses@oxfordhealth.nhs.uk. please include your child's name, date of birth and the school they attend.

Regards
