## **Important information for families wishing to use their 30 hour entitlement for the Autumn Term**

If your child is currently entitled to 30 hours and has a grace period date of the 31 August, it means that your code WILL NOT be valid for the Autumn Term. You will need to reconfirm your code before the 31 August in order to be able to take your 30 hour entitlement in September. If you do not reconfirm before 31 August, we will not be able to offer you extended hours in the Autumn Term. If you reconfirm after 31 August you will not be eligible until the Spring term.

If your child has a grace period date of 31 December and 'eligible to' date before 31 August you should also reconfirm before 31 August. The grace period cannot be used if your child only took the universal entitlement in the Summer term or if your child is moving to Wantage CE Nursery class for the September term. If either of these conditions apply to you, you MUST reconfirm before 31 August and therefore you will not be using the grace period.

If you are unsure, we would advise you to reconfirm anyway to ensure you have an 'eligible from' date before 31 August and an 'eligible to' date after 1 September.

We will not be able to offer you extended "funded" hours if the above criteria are not met and you would have to pay for any extra hours above the universal entitlement of 15 per week.
