9 July 2018

Dear Parents / Carers,

We would like to update you on the sports day arrangements for Tuesday and Wednesday.

We have assessed the weather and it is much cooler on both days than it has been over the weekend, reaching 23 degrees by lunchtime with partial cloud and breezy. We feel that this will be safe for the children to continue with the sports day.

We will be putting up some gazebos so that there is additional shade for the children on the field, we would like parents to please provide all the children with a hat, sun cream and water bottle for the day. Water bottles will be refilled by staff on the day.

We will continually monitor the weather on the day and if we feel that it is too hot we will reassess the situation.

Tuesday's arrangements have been adapted slightly on the day also to allow for the weather. We will aim to start both days as near to 9am as possible and will not be doing the wake up shake up, but start straight with the activities. We will then finish sports day at 12.00pm and have lunch arrangements as per our original letter: parents are welcome to enjoy a picnic lunch on the school field with their children. Once lunch time is finished we will ask parents to leave the site and the children will return to their classes for normal afternoon lessons.

Wednesday will again be starting as near to 9am as possible to allow the children to take part in as much as possible before it gets too hot. The morning should finish before lunchtime at 12pm.

Thank you for your co-operation and we hope the children will be able to enjoy some sports day activities.

Yours sincerely

Elaine Brew
