

## Wantage CE Primary School Accessibility Plan 2018-2019

### Section One: Physical Access

**Target:** To aim to have all areas of the academy physically accessible to staff and students including any wheelchair users

- To review annually as part of the Academy Development Plan, all areas of the academy to ensure that there are no physical barriers to learning
- to students with a range of disabilities
- To raise staff awareness the impact of the physical environment on students with disabilities (sensory impairment, autism, epilepsy, etc) in terms
- of classroom layout, décor, lighting.

Strategy	Outcome	Examples of Actions
<p>Review academy plans for improving accessibility, initiate and complete actions and evaluate for impact</p> <p>To advise staff about adaptation work</p>	<p>Improved access to areas of school identified by those with disabilities (identified in consultation with disabled pupils and carers with disabilities)</p> <p>Staff understand what work is being undertaken and why. Staff are consulted about planned work so that those with expertise can advise on creating an inclusive learning environment.</p>	<p>1. Phased programme of improvements to car park to improve disabled access by reducing congestion</p> <ul style="list-style-type: none"> <li>• Issue permits for disabled pupils and adults</li> <li>• Create more spaces</li> <li>• Mark more parking bays</li> <li>• Improve direction (flow) of traffic</li> </ul> <p>2. Increase visibility of potential hazards around the site</p> <ul style="list-style-type: none"> <li>• Repaint edges to steps outside school (bright yellow is preferred colour)</li> <li>• Re-mark parking bays (white for ordinary bays and bright yellow for disabled parking)</li> <li>• Put hazard tape (yellow and black) on steps leading to first floor</li> <li>• Head, SENCo and VAT premises team to consult with outside agencies and take advice on best provision for disabilities and inclusive practice</li> </ul>

## Section Two: Teaching and Learning

**Target:** To make staff aware of the National Curriculum Inclusions Statements and to use these to inform differentiated planning. For example:-

- Setting suitable learning challenges
- Responding to students' diverse learning needs
- Overcoming potential barriers to learning and assessment for individuals and groups of students

Strategy	Outcome	Examples of Actions
<p>Use staff meeting time to brief staff on best practice for common challenges children face, eg, dyslexia, dyspraxia</p> <p>Use INSET and conference for TAs to provide more specialised training for higher level needs, eg, autism or attachment disorder</p>	<p>All staff understand the barriers to learning for many children and adapt planning and tasks to make learning as inclusive as possible</p> <p>Some staff have specialist expertise and can advise colleagues</p>	<ol style="list-style-type: none"> <li>1. Provide simple (and where possible, visual) sequences of instructions</li> <li>2. Provide a visual daily timetable in each class Label storage spaces clearly (consider using pictures as well as text)</li> <li>3. Provide date/title/learning objective on stickers to avoid time slippage where writing is difficult and does not reflect learning</li> <li>4. Staff with Autism awareness (or other) specialism to write IEPs with teachers, advising (in conjunction with the pupil and their family) on best practice</li> </ol>

### Section Three: Access to Information

**Target:** To identify any materials and events where access to information may need to be altered in order to ensure that disabled students and/or parents have full access to information
